7:20 p. m.—Evangelical sermon, "The Modern Woman," to women only.

The unescapable certainty of death, the inevitable end of every life on earth, formed the basis of the Thursday night sermon of Bob Jones. The talk, delivered before an audience of more than 3,000 people, was perhaps the most impressive the evangelist has delivered since the opening of the campaign.

To bring home the absolute certainty of death the evangelist used logical reasoning and an address replete with convincing incidents. He asked men to face the issue of death as they would a business proposition—by being prepared. "No man," he declared, "if his life insurance had expired today would sleep well tonight while thinking of the risk he was running. Yet thousands of Christians are going through life believing in God's heaven and a hell and unprepared for the death that is more certain and yet more certain than fire."

When he gave the invitation to come to God more than 20 people responded. It was noticeable that the majority were men, many of them past middle age.

Fully 300 members of South Bend Masonic bodies and the Order of the Eastern Star were special guests for the night were present. They occupied the center section of the tabernacle nearest the platform.

Prior to the services, addresses were made by C. P. Domb, head of the executive committee and ex-mayor Fred Keller, chairman of the finance committee outlining the financial condition of the revival. Mr. Keller stated that the expenses of the campaign will amount to \$125 with \$2,053.82 collected to date. Whatever amount Mr. Jones will receive will not be made up by collection at the close of the campaign, he said. Mr. Domb urged that the work of covering the campaign expenses be carried on more thoroughly in the churches.

In his preliminary remarks Mr. Jones made an announcement of special services for the week. Women only will be admitted to the tabernacle tonight. The evangelist will take as his subject "The Modern Woman." The services will be held at 7:20 p. m. at the court house. Mr. Jones will address men only, Sunday afternoon, speaking on "The Sins of Men." At the same time Mrs. Bob Jones, Mrs. Loren Jones and Mrs. (CONTINUED ON PAGE 11.)

QUIET RESIGNS IN
BUTTE RIOT ZONE

Mines Expected to Resume
Operations Today—Fail
to Picket.

By Associated Press:
BUTTE, Mont., April 22.—Butte, where the metal mine workers num-
ber 1,000, called a strike on Monday following Wednesday's clash between deputy sheriffs and strikers and the killing Thursday of a youth who was guarding the newspaper office.

Quarters have been prepared for federal troops reported to leave Fort George Wright, near Spokane, for Butte, early Thursday. The mines which have not hoisted since Monday because of the strike are expected to resume work Friday with full protection according to John Gillie, manager of mines of the Anaconda Copper Mining company. The strikers demand \$7 a day, a 10-hour day and release of "political prisoners."

Hugh B. Hanan, who was shot and killed Thursday, was stationed in the press room of the Bulletin, with other men as guards. Joseph Pabst, another guard, admitted to the police that he accidentally shot Hanan.

No attempt was Thursday made to picket the mines and only one clash between strikers and men desiring to work was reported.

SHERIFF FAILS
TO FIND TRACE
OF JOSEPH VIRGO

South Bend Real Estate Man
Wanted to Testify in
Murder Trial.

Efforts to find Joseph Virgo, South Bend real estate man, wanted at Paw Paw, Mich., as a witness at the trial of Mrs. Sarah I. Tabor for the death three years ago of her daughter, Maude Tabor Virgo, failed here Thursday and Thursday night.

Virgo is again wanted at Paw Paw in connection with the death of his fifth wife, whose body was found in her home chest in the basement of the Tabor home at Lawton, Mich., late last fall. The South Bend man is wanted as a witness in the trial of the aged mother for the death of her daughter, Maude Tabor Virgo.

A visit to the Virgo home, 308 E. Ohio st., Thursday by Deputy Sheriff Dwight Barker of Van Buren county, Ind., failed to locate the man. Mr. and Mrs. Virgo left South Bend for an unknown destination Tuesday.

A warrant has been issued by the prosecution in the Tabor murder case for the arrest of Virgo, but the authorities say that Virgo's attorneys at Paw Paw promised to appear.

Search for Virgo did not put in an appearance Wednesday, and Wednesday night Deputy Sheriff Barker left Paw Paw for South Bend in search of the witness.

Soon after her return, under arrest from Yreka, Calif., Mrs. Tabor made a confession in which she implicated Virgo in the death of her daughter. She said that Virgo had performed a criminal operation on his wife, and that she died from the operation and an overdose of chloroform. The confession also said that Virgo placed the body of his wife in her home chest, filled the chest with salt and carried it down into the basement of the Tabor home at Lawton.

Later Mrs. Tabor repudiated her confession, and returned to her original story told Deputy Sheriff Barker. She said that she had been told by Virgo that she was to be placed under arrest at Yreka. The original story was that Virgo had performed a criminal operation on his wife, and that she died from the operation and an overdose of chloroform. The confession also said that Virgo placed the body of his wife in her home chest, filled the chest with salt and carried it down into the basement of the Tabor home at Lawton.

Still another statement was made by Mrs. Tabor to the Van Buren county authorities in which she declared that Virgo had nothing to do with the death of his wife, and that the aged mother herself placed the body in the home chest and carried it down into the basement of the Tabor home at Lawton.

Following Mrs. Tabor's confession, Virgo was placed under arrest, charged with murder. Up to that time he had been held merely as a witness. Later the murder charges against Virgo were withdrawn, and he was released from custody. He returned to South Bend and resumed his real estate business.

Virgo is wanted to return. Authorities at Paw Paw say that when Virgo was released, it was with the promise from him that he would return to Paw Paw as a witness whenever he was wanted.

Neighbors near the Virgo home say that when Mr. and Mrs. Virgo left South Bend Tuesday, it was understood that Virgo would return Thursday, and that Mrs. Virgo would remain away several days. The belief was even expressed that Virgo had gone to Paw Paw, but a dispatch from Van Buren county Thursday said that he had not put in his appearance there.

During the time that Virgo was being held at Paw Paw under murder charges, Mrs. Virgo was absent from the city. Van Buren county authorities were unable to locate her at Scott, Mich., where she has relatives. Upon her return to South Bend after Virgo had been released, Mrs. Virgo declared that she had not been very far from South Bend.

Paul Gibson, a nephew of Mrs. Virgo, and who lived with his aunt prior to Thanksgiving, said Thursday that he was with the Virgos Sunday, and that at that time something was said about Mr. and Mrs. Virgo leaving South Bend. He said, however, that he did not hear where they were going, and did not know.

FIVE STATES
JOIN SONORA
IN BIG FIGHT

Four Hundred Indians Take
Up Arms With Seceding
Mexican States.

By Associated Press:
AGUA PRIETA, Sonora, April 22.—The Mexican states of Michoacan, Guerrero, Zacatecas, Tehuantepec and Vera Cruz are in revolution with Sonora against the Carranza government, Gen. P. Elias Calles, commander in chief of the Sonora military forces, said after his arrival here Thursday afternoon.

Gen. Flores already has begun his march on Mazatlan, according to Gen. Calles. Capture of Culiacan was announced last week by the Sonora authorities in official dispatches. This was when the troops first entered the city, Gen. Calles said.

Troops arrive. Four hundred Indians accompanied Gen. Calles as far as Naco, 28 miles west of here. They are now marching from the rail head at Naco to reinforce troops already stationed here and east in the mountains between Chihuahua and Sonora through which Carranza forces are expected to try to force their way into Sonora.

Fifteen hundred troops have arrived here and at Naco two days. The movement has been so heavy that facilities to care for the soldiers here are insufficient and the men have been forced to camp in vacant lots. Streets are overrun with soldiers of every description uniformed in all kinds of clothes, from blankets to gaudy federal uniforms.

The Southern Pacific de Mexico, an American owned railroad seized by the authorities of Sonora a day before the state's movement against the federal government began will be returned to its owners whenever the company wishes to take over the road and settle the strike of its employees, Gen. Calles said.

Nogales advised during the past two days have been to the effect that the strikers are willing to return under the old wage scale and working conditions for three months if the officials recognize their union.

CASSIDY HOLDS
BUSY SESSION IN
KANGAROO COURT

Relieves Judge Gilmer of
Responsibility of Trying
"Drunks."

"Judge" William Cassidy held a busy session of his kangaroo court Thursday morning, prior to the opening of the regular session of city court.

The judge, who is sometimes known as "Chief" Cassidy, but who is drawing pay as assistant chief of police, has elected himself assistant to City Judge Gilmer, and has assumed the authority of trying all drunks.

Wednesday night was a busy night for the police patrolmen, partly on account of it being pay night in the police department, and partly because of the large number of drunks. At least five drunks were arrested, but none of them were arraigned before Judge Gilmer in city court Thursday morning, and only one of them is being held for trial today.

Two of the five arrested were sent in by patrolmen to the Chapin street. They were Ole Knutson and Peter Morgan, and their arrest followed a friendly fight near the corner of Chapin and Division streets.

Morgan, after being arrested, was loud in his threats to "squelch" if he was taken into court. He promised to tell the judge just what places on Chapin st. were selling whiskey. Knutson made no threats of any kind.

The couple were interviewed by "Judge" Cassidy Thursday morning before court time. Morgan was turned loose without a trial, but Knutson was held for trial this morning.

A Notre Dame student who first gave his name as Bob Williams and later changed it to Terence Williams, was arrested Wednesday night on a drunk and disorderly charge, it being alleged by the officer making the arrest that Williams created a disturbance in the La Salle theater.

By Cassidy, as were at least two other drunks arrested Wednesday night.

City Clean? The leniency of Cassidy is said in police circles to be part of the campaign to make the city appear as near heavenly as possible during the Bob Jones revival meetings by keeping the number of court cases down. It was also reported in police circles that the orders supposed to have gone out from the "rank heads" of the police department that the houses of ill-fame in the downtown district would have to get under cover during the Jones meetings were considered as a joke among the proprietors of red light district joints, and were being generally disregarded.

OUTLAW RAIL
MEN MAY END
STRIKE TODAY

Official of Strikers Calls
Special Meeting to "Clear
Up Situation."

By Associated Press:
CHICAGO, April 22.—Another effort to end the insurgent switchmen's strike in the Chicago area will be made Friday at a meeting called by John Grunau, president of the Chicago yardmen's association, to "clear up the situation."

The railroad situation continued to improve Thursday, an announcement by the railroad general managers' association said, in reporting that 605 switch engines, 80 per cent of normal, were at work. The statement also reported that nearly 700 rebel switchmen had returned to work. Livestock receipts were reported as 1,375 cars, of 200 more than received on the corresponding day last year.

No Recommendations. In addition to Grunau, the call for the meeting of strikers was signed by directors of the United Engineers' association, the other outlaws union, on behalf of Harold E. Reading, president, who was sent to the Wheaton jail after he refused to give up his membership in the federal authorities Thursday he expected to be freed in time to attend the conference Friday.
